

RESOLUTION NO. 04-13UB

A RESOLUTION DEFINING THE CRITERIA FOR THE ASSESSMENT OF FACILITY CHARGES AND CONNECTION/DISCONNECTION CHARGES AND ESTABLISHING FEES

WHEREAS, the Municipal Utility Board of Trustees has the responsibility of operating and maintaining the City of Bellevue electric, water and wastewater systems, and

WHEREAS, that responsibility includes insuring the financial stability of the system, and

WHEREAS, establishing rates for facility charges and connection/disconnection charges are a part of that responsibility

NOW, THEREFORE, BE IT RESOLVED that the following charges are established:

1. Facility Charges
 - a. All customers that are connected to the electric utility will be assessed a water and wastewater facility charge if connected to the service or has access to City water or sewer main without crossing property not owned by them.
 - b. If a customer has a commercial electric service, they will be assessed a commercial facility charge. If their electric service is residential, their facility charge will be residential
 - c. In the event of a commercial business where the business provides water service to multiple residential electric customers who do not have individual water meters, the residential users will be assessed residential water and sewer facility charges and the commercial business will be assessed a separate commercial facility charge at the base rate.
 - d. The facility charge will not be assessed to more than one structure on each parcel of property unless the parcel is used for more than one purpose or has more than one user.

The rates for facility charges will be as follows:

Residential Customers:

Water	10.00	Wastewater	15.00
-------	-------	------------	-------

Commercial Customers:

Usage (Monthly)

0 cubic feet -- 450	10.00	15.00
